

Information Sheet Bulk RNA-seq at Xpress Genomics

Dear Customer,

Please fill and return this information sheet with your plates when handing them to our lab. Please ensure that you have followed the submission guidelines (incl. normalization of RNA concentrations).

Customer Name	
Date	
Number of samples submitted	
RNA concentration	_____ ng/uL
Submitted RNA volume	_____ uL
Sequencing Depth	
Library Strategy	☐ total RNA-seq (rRNA depletion) ☐ mRNA-seq (oligo-dT priming)
Read Length	☐ 2x100 ☐ 2x150
Species	☐ Mouse ☐ Human ☐ Other: _____
Transgenes	☐ No ☐ Yes ¹
Tissue/Cell Type	
Comments	

¹Please submit the fasta file for alignment together with this information sheet.

Please email the filled plate submission sheet to:
